

## Cinco de Mayo Excerpt, P.3

The moral of the story of Cinco de Mayo was that the Mexicans could stand up to the best that Europe had to offer, especially when they were under determined and capable leadership. Because of this unexpected but welcome victory, the Mexican people were inspired to persevere.

*(Optional):*

**Jeffrey:**

How did you get General Zaragoza to show up for that picture?

**Don:**

He's my mannequin. He stays with me at my apartment, and I carry him around to speaking engagements in a body bag. If you'd like more information, you can contact me at [donmiles.com](http://donmiles.com).
